Sir:

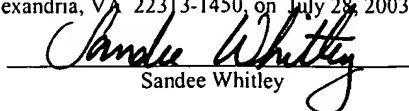

The Applicants named in the patent application identified above hereby petition under 37 C.F.R. §1.137(b) to revive the referenced patent application:

1. A Notice of Abandonment was issued by the U.S. Patent Office on June 18, 2003 for Applicants' failure to respond to the Final Office Action mailed November 15, 2003.

2. Applicants submit that the present application was transferred from the firm of McDermott, Will & Emory to the present counsel for prosecution. During the transfer, the Final Office Action mailed November 15, 2002, was inadvertently misplaced. Applicants further submit that the entire delay in filing the response to the Final Office Action due May 15, 2003 until the filing of a grantable petition was unintentional.
